3. On 11 May, source learned that, on and after 4 May, 96 heavy-duty flatcars were assembled at the Berlin-East freight station. On 5 May, 15 of these cars were dispatched to Wustermark.

25X1

1. Comment. The troop trains possibly carried the following units:

25X1

components of the 31st AAA Div.

25X1

air force AAA units to Jueterbog and Wustrow respectively for firing practices with live ammunition.

25X1

artillery units of the 9th Gds Tank Div.

25X1

an air force unit, as the train included two tank cars.

25X1

2. Comment. The RRM-type flatcars were probably used for tanks repaired at the tank repair shop of the GOFG in Wuensdorf.
